YEAR IN RETROSPECT & STATE OF AFFAIRS:

The gross sales and other income for the financial year under review were Rs. 0.36 crore as against Rs. 97.05 crore for the previous financial year registering a decrease of 99.63%. The profit after tax from continuing operations including extraordinary and exceptional items was Rs. (96.67) crore for the financial year under review as against Rs. (19.38) crore for the previous financial year. The drop in the turnover and profit is on account of vessel not available for operation due to ongoing repair work post an accident last year on 8th March, 2020.

COVID-19 update

Last year to some extent repair work was affected on account of the COVID-19 pandemic. This was mainly on account of a disruption in the logistics-related issues. A taskforce was set up comprising members of both JV partners, to constantly review the repair work to ensure that measures were continuously implemented to keep repair schedule intact and employees safe while also ensuring business continuity.

The Company implemented safety and hygiene protocols like wearing of face masks, social distancing norms, workplace sanitation and employee awareness programs at its offices and vessel. The protocols are regularly reviewed and updated based on revisions in guidelines received from authorities concerned from time to time.

<p style="text-align: center;">INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF L&T SAPURA SHIPPING PRIVATE LIMITED</p>

Report on the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS Financial Statements of L&T Sapura Shipping Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Changes in Equity, the Statement of Profit and Loss (including Other Comprehensive Income) and the Statement of Cash Flows for the year ended on that date, notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards (the "Ind AS") prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, of the state of affairs (financial position) of the Company as at March 31, 2021, the changes in equity, its loss (financial performance including other comprehensive income) and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing (SA) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further prescribed in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report :

1. Accident on board the Company's Vessel (Refer Note 3.14)

On March 08, 2020 there was an accident on board the Company's Vessel, involving an uncontrolled boom movement of the main crane causing the boom to collapse into the sea along with the jacket. Subsequently, the Vessel returned to port and sailed to ASL Shipyard Batam where the repair activities are going on. As a result, there was no utilization of the vessel during the year and having significant impact of the revenue stream of the Company. This event does not have any impact on the "Going Concern" accounting assumption followed by the Company.

Our Response

- We have been informed by the management of that the company has estimated the cost of repairs and also lodged the claim with insurance companies. During the year the vessel moved to a shipyard at Batam, Indonesia. This year the damaged thruster was repaired and is reinstated on the vessel. The crane repairs are in progress. Basis the perusal of the minutes of the Board Meeting, regular updates of the repairs work and the insurance claim has been reported to JV partners from time to time.
- The consistency and appropriateness of the management estimates and assumptions used for arriving at the recoverable amount of insurance claim was discussed with the management.
- Considered the appropriateness of the suitable disclosures in the Financial Statements for the year ended March 31, 2021.

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for preparation of other information. The other information comprises information included in the Management discussion and analysis, the Directors' Report including Annexures to Directors' Report (collectively called as "Other information") but does not include the Ind AS Financial Statements and our auditor's report thereon. The Other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Other information, if, we conclude that there is a material misstatement therein, we are required to communicate the matters to those charged with governance.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of state of affairs (financial position), changes in equity, profit or loss (financial performance including other comprehensive income) and cash flows and of the company of in accordance with the accounting principles generally accepted in India, including the Accounting Standards ("Ind AS") prescribed under Section 133 of the Act, read with Rules 7 of the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to Ind AS Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE
ON THE FINANCIAL STATEMENTS OF
L&T SAPURA SHIPPING PRIVATE LIMITED**

(Referred to in paragraph (ii) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members the Company)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Ind AS Financial Statements of L & T Sapura Shipping Private Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind AS Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Ind AS Financial Statements

A company's internal financial control with reference to Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Ind AS Financial Statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls with reference to Ind AS Financial Statements were operating effectively as at March 31, 2021, based on the internal control with reference to Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

L&T Sapura Shipping Private Limited

1. General Information:

L&T Sapura Shipping Private Limited (LTSSPL) is a joint venture between L&T Hydrocarbon Engineering Limited (LTHE) and Sapura Energy Berhad, Malaysia (Sapura) which has invested through its wholly owned subsidiary Sapura Nautical Power Pte Limited, Singapore (Nautical) (Erstwhile - Nautical Power Pte Limited, Singapore). LTHE holds 60% of the share capital and Nautical holds 40%. The registered office of the Company is at Mount Poonamallee Road, P.O. Box. No.979, Manapakkam, Chennai 600089.

The Company owns and operates a Heavy Lift cum Pipe Lay Vessel (HLPV) which is used for installation of offshore platforms and laying of pipes and cables under the sea for the Hydrocarbon Upstream Industry.

2. Significant accounting policies

2.1. Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133 read with sub-section (1) of section 210A of the Companies Act, 1956 (1 of 1956). In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment.

These financials statements have been approved for issue by the Board of Directors at their meeting held on _____, 2021

2.2. Key sources of estimation:

The preparation of financial statements in conformity with Ind AS requires that management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as on the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets and allowance for doubtful debts/advances. Differences, if any, between the actual results and estimates are recognised in the period in which the results are known.

2.3. Presentation of financial statements

The balance sheet and the statement of profit and loss are prepared and presented in the format prescribed in the schedule III to the Companies Act, 2013 ("the Act"). The statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the balance sheet and statement of profit and loss, as prescribed in the schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

2.4. Operating cycle for current and non-current classification

Operating cycle for the business activities of the company covers the duration of the specific project/contract/product line/service including the defect liability period, wherever applicable and extends up to the realisation of receivables (including retention monies) within the agreed credit period normally applicable to the respective lines of business.

2.5 Revenue recognition

- The Company earns revenue by chartering out the vessel on time charter basis. The revenue under time charter is recognized based on the terms of the charter party agreement.
- Interest income is recognized at applicable rates on the fixed deposit with banks on accrual basis.
- Other items of income are accounted as and when the right to receive arises.

2.6 Foreign currencies

The functional currency of the Company is United States Dollar. The Company is in business of operating a specialised vessel. Its revenue and major items of costs are denominated in United States Dollars. Accordingly, the Company uses United States Dollar as its functional currency.

The presentation currency of the Company is Indian Rupee as the company is an Indian Company and has compliance requirements in India.

Company converts the balance sheet items from functional currency to presentation currency at the closing spot rate date except for share capital and statutory reserves. Items of profit and loss account are translated to presentation currency at the average rates. The resulting exchange differences are accounted in other comprehensive income and accumulated in equity as foreign currency translation reserve.

Transactions and translations

The balances in foreign currencies are translated into the functional currency at the rate prevailing on the transaction date.

Transaction gains or losses realized upon settlement of foreign currency transactions are accounted in the statement of profit and loss.

2.7 Property, plant and equipment:

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives of assets are as follows:

Ship	20 years
Equipment on board	5 years
Office equipment	5 years
Computers	3 years
Furniture and fixtures	10 years
Electrical installations	10 years

Depreciation is provided in the accounts based on useful life of assets as per schedule II of the Companies Act, 2013.

Depreciation for additions to / deductions is calculated pro rata from / to the month of additions / deductions. Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful

life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/residual value is accounted on prospective basis.

Company carries out dry dock of its vessel once in five years. All the expenses pertaining to the dry dock activities in dry docking period are capitalised and depreciated over a period of 5 years as per IND AS 16.

Capital spares are recognised as Property Plant and Equipment if the recognition criteria under Ind AS 16 is met and are depreciated when they are available for use.

All other fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

2.8 Intangible assets and amortization

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets. The intangible asset owned by Company consists of an accounting software and the estimated useful life for the same is 6 years.

2.9 Impairment of assets

i. Impairment of financial assets

The Company applies a separate model of the expected credit loss, which involves use of a provision matrix constructed on the basis of historical credit loss experience as permitted under Ind AS 109 for recognizing impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial assets, as follows:

- Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.
- The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the lifetime expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

ii. Impairment of non-financial assets

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE, investment property, intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the said assets are tested for impairment so as to determine the impairment loss, if any.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined at the higher of the net selling price and the value in use.

2.10 Financial instruments

Financial assets and/or financial liabilities are recognised when the entity becomes party to a contract embodying the related financial instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

The financial assets and financial liabilities are offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

2.11.1 Financial assets

i. Classification of financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

ii. Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement being recognised in profit or loss.

Financial assets are derecognized when:

- a. the right to receive cash flows from the asset has expired, or
 - b. the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and
- the Company has transferred substantially all the risks and rewards of the asset, or
 - the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the carrying amount measured at the date of derecognition and the consideration received is recognised in profit or loss.

2.11.2 Financial liabilities

Financial liabilities, which are designated for measurement at FVTPL are subsequently measured at fair value. All other financial liabilities including loans and borrowings are measured at amortised cost.

A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

2.12 Inventories

Inventories of stores, spares and consumables are valued, at the lower of weighted average cost or net realizable value.

2.13 Cash and bank balances

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand, cash at bank and demand deposits with banks.

2.14 Borrowing costs

Borrowing costs include interest expense calculated using the effective interest method.

2.15 Taxes on income

Tax on income for the current period is determined as per Tonnage Tax Scheme of Income –tax Act 1961, and based on the expected outcome of assessments / appeals.

2.16 Provisions, contingent liabilities and contingent assets

Provisions are recognised for liabilities that can be measured only by using a substantial degree of - estimation, if:

- A) the Company has a present obligation as a result of a past event,
- B) a probable outflow of resources is expected to settle the obligation and
- C) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- A) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
- B) a present obligation arising from past events when no reliable estimate is possible;

Contingent assets are neither recognised nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.17 Cash flow statement

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the net profits for the effects of:

- i. transactions of a non-cash nature;
- ii. any deferrals or accruals of past or future operating cash receipts or payments; and
- iii. items of income or expense associated with investing or financing cash flows

Cash and cash equivalents (including bank balances) shown in the statement of cash flows exclude items which are not available for general use as on the date of balance sheet.

2.18 Earnings per equity share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period.

2.19 Events after the reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date only of material size or nature are disclosed.

Financial risk management

Financial risk factors

In the course of its business, the Company is exposed primarily to fluctuations in foreign currency exchange rates, interest rates, liquidity and credit risk.

(i) Foreign currency risk

The Company operates in an environment wherein a major portion of the business is transacted in USD and therefore USD is the functional currency of the Company. There is very minimal foreign exchange risk to which Company is exposed.

Currency wise exposure of the Company as of March 31, 2021 and March 31,2020 is as below (major traded currencies only)

Particulars	31.03.2021		31.03.2020	
	INR	SGD	INR	SGD

Total Financial Liabilities	1,78,96,679	204,103	5,26,06,741	14,23,616.

(i) (b) Interest rate risk

The Company does not have any interest rate risks since the loan taken from shareholders is at a fixed interest rate.

(ii) Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. However, Company has limited counter party risk as entire trade receivable is from joint venture partners and their group entities.

The Company has only two customers being joint venture partners and their group entities. Credit risk on cash and cash equivalents is limited as we generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

(iii) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company had initially taken loan from BNP Paribas, for purchase of vessel. In June 2017, the Company refinanced the said loan through loan from shareholders. As on balance sheet date, there is a liquidity risk to the Company as the share-holders loan obligation is due within a year and the Company's cash and cash equivalents as well as cash flow from operations are not sufficient to meet debt obligations. However, Company is confident it will meet its obligations as the loan is from shareholders and it will eventually either be rolled over, or refinanced through external borrowing.
